

# ADM Investor Services, Inc. joins oneZero Financial Systems' EcoSystem as FX clearing and liquidity provider

October 16, 2018  
For Immediate Release

CHICAGO – ADM Investor Services, Inc. (ADMIS) today announced that it will be providing FX prime brokerage, execution, and settlement services through oneZero Financial Systems' EcoSystem.

This is a strategic expansion for the ADMIS' FX services and distribution network and will make its professional and institutional offerings available to a broader set of market participants. Customers of oneZero Financial Systems will now have access to ADMIS' first-tier service, strong balance sheet and solid regulatory foundations.

“Having ADMIS join our EcoSystem greatly enhances the current offerings available to our users,” said Andrew Ralich, CEO of oneZero Financial Systems. “ADMIS is an established, well-capitalized firm with global reach. Their participation in our EcoSystem gives our customers new access to a counterparty that is highly regarded across the derivatives industry.”

ADMIS provides FX prime brokerage, execution and settlement services to an array of institutional clients with an emphasis on e-commerce solutions. These services are available to customers of the oneZero EcoSystem today.

## **About ADM Investor Services, Inc.**

ADM Investor Services is a full-service futures clearing firm and wholly-owned subsidiary of Archer Daniels Midland Company (NYSE:ADM), a Fortune 50 business with a rich history. ADMIS has been a leader in the futures brokerage industry for more than 50 years, and is a registered Futures Commission Merchant that provides comprehensive services to a growing number of hedge funds, asset managers, brokers and institutional, commercial and retail clients. Our work is supported through a network of Introducing Brokers, non-clearing FCMs, branch offices, subsidiaries and sister companies across the United States and around the globe.
