

ADM Investor Services, Inc.

On Wednesday, August 9, 2017, ADM Investor Services employees, along with employees from ADM GHQ and ADM Milling, volunteered their time and muscle to drop off truckloads of much needed and greatly appreciated supplies to eight Chicago Public Schools on the South and West sides of our great city as part the **Schools Count** foundation started by Dick Flesher (www.schoolscountcorp.org). Fantastic job everyone!! On behalf of *ADMIS Cares* - Thank you so much!
